NOTEWORTHY ACTIVITIES:

A big “thank-you” to the folks of the Rescue Hose Company for making quick work of a car fire on E Baltimore St. Traffic was tied up for about an hour, but at least the driver left it in the middle of the street instead of pulling over and exposing local storefronts.

In the absence of the Mayor I attended a meeting about Wellspan EMS at the Antrim Township office. Wellspan presented information on their presence in our community and what that looks like going forward.

Both of the Assist Other Agency In calls this month were at the GASD. One involved assisting with a student problem and the other for a suspected gas leak in the building. An additional incident involves an on-going investigation for an assault.

Great weather and a Great group of young people make for a Great event. Thank-you to our own Off. Jim Bradley and the Greencastle Sportsman’s Association for putting this event together. We have an outstanding community, many of whom came thru with donations to make this event possible.

The Civil Service Commission met in September and the preparations are underway for establishing a Civil Service List.
