

Special Meeting, Hoachlander's Garage,  
December 30th. 1933; 8:00 P. M.

A special meeting at the call of the President was held on the above date for the purpose of paying current bills, the closing up of 1933 business, and any other matters which might come before the body.

Present: E. G. Hoachlander, Roy W. Stover, W. N. Frank and  
B. F. Leshner.

In the absence of Pres. Gardner, Roy W. Stover was nominated and elected President Pro-tem.

Minutes of the last regular meeting were read and approved without correction.

Due to the illness of Treasurer, Bert, a report of the condition of the treasury was not available, but it was indicated that approximately \$ 1100.00 was available in the checking account.

OVER

The secretary, John J. Carl, reported receipt of a check in the amount of \$ 349.71 from Tax Collector, B. H. Daley, representing collections of 1932 taxes.

Mr. Hoachlander explained that Mr. Alvin Copenhaver was being paid at the rate of 30¢ per hour while workers under him were receiving 50¢ per hour under the CWA, a condition which seemed to be not quite equitable. On motion, action as to a change of wage was tabled.

Mr. Stover of the Water department explained that he had had complaint that water pipes had frozen on the Bitner farm and that the owners maintained that the borough would have to repair the same in accordance with an alleged agreement when the right of way was secured. It was the consensus of opinion that even if such an obligation should be required, it certainly would not extend to the matter of frozen pipes or other conditions caused by carelessness. On motion of Mr. Frank, seconded by Mr. Leshner, it was ordered that repairs be not made at borough expense.
