

Special Meeting, Council Hall,
September 4, 1934; 8:30 P. M.

A special meeting of council was held on the above date
with the following present:-

Councilmen; Gilland, Seibert, Walck, Davison, Stover, and
Hoachlander.

In the absence of Pres. Gardner, Mr. L. R. Walck was chosen
President Pro-tem.

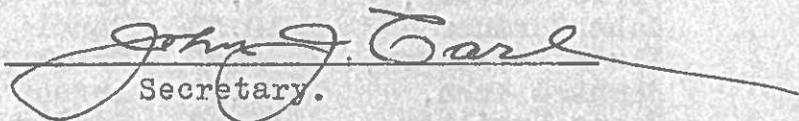

Over.

It was explained the the South Penn Power Co had begun rebuilding of their high tension line on Grant Street despite protests that it was a nuisance and hazard to people living in that section Council was asked to take some immediate steps to prevent the rebuilding of this line, if possible.

On motion Mr. Davison, seconded by Dr. Gilland, the Pres. was asked to appoint a committee to meet the borough attorney, or if advisable other attorneys, the following morning, and to take any possible action, by injunction or otherwise, to stop the construction of this line at once.

President Walck appointed a committee comprising Dr. Gilland, Dr. Seibert, and Mr. Walck.

On motion, adjourned.

Secretary.
